¹ Estimated intermediate time en-route to 5000m, accepted by NUTS for national 3000m rankings. In view of the fact that this is estimated, although we have no reason to doubt it, we also include the next best M35 times.

² Laurie O'Hara's 8:18.8 is also an estimated time, converted from the 8:55.2 he ran for the longer 2 miles race. Therefore, we have additionally shown his best M35 time of 8:20.0 for the exact distance.

³ Officially recorded time en-route to 10,000m.

⁴ Nine events only. Best score for the full ten events also shown.
